Vestibuled Trains.

The most complete daily trains in the
West, for all classes of travel, are just
out of the Burlington's shops. These
are trains Nos. 15 and 16, between St.
Louis and Kansas City, St. Joseph, Colo-
rado and Montana. These are vestibuled
throughout with the handsome
wide observation Putsch-lighted vestibules.
The chairs are new and of mahogany
finish. Patches light and
courteous free porters' service. The latest
productions of compartment sleepers,
between St. Louis and Kansas City,
offer the exclusiveness of drawing rooms
without any additional berth charges.
These are the only vestibuled
trains from St. Louis to Kansas City and
Denver. These are also the trains from
St. Louis, St. Joseph and Kansas City
for all travel via the Burlington's short
